## A Reader Cures His Constipation—Try it Free

Simple way for any family to retain the good health of all its members

The editors of "Health Hint" and "Questions and Answers" have one question that is put to them more often than any other, and which, strangely enough, they find the most difficult to answer. That is "How can I cure my constipation?"

Dr. Caldwell, an eminent specialist in diseases of the stomach, liver and bowels, has looked the whole field over, has practiced the specialty for forty years and is convinced that the ingredients contained in what is called Dr. Caldwell's Syrup Pepsin has the best claim to attention from constipated people.

Its success in the cure of stubborn constipation has done much to displace the use of salts, waters, strong cathartics and such things. Syrup Pepsin, by training the stomach and bowel muscles to again do their work naturally, and with

its tonic ingredients, strengthening the nerves, brings about a lasting cure. Among its strongest supporters are Mr. John Graveline of 38 Milwaukee Ave., Detroit, Mich., Mr. J. A. Vernon of Oklahoma City and thousands of others. It can be obtained of any druggist at fifty cents and one dollar a bottle, or if you want to try it first a free sample bottle can be obtained by writing the doctor.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 341 Caldwell building, Monticello, Ill.

## WHAT YOU OUGHT TO DO

If your rheumatism has resisted all other treatment, or if you think you have incurable or chronic, and if you have just about given up hope of ever being cured, I especially urge you not to give up hope until you have tried Martin's Rheumatic and Blood Elixir. Mr. A. O. Quinn, photographer, 226 Fifth street, Parkersburg, W. Va., says: "T. J. Martin, Dear Sir:—Four years ago I was badly afflicted with rheumatism in my shoulders and back. I got no benefit at all from the many different treatments that were prescribed for me. About two years ago my attention was called to Martin's Rheumatic and Blood Elixir, and I can say in all truth that I consider this medicine the leading remedy of the present age for Rheumatism."

Martin's Rheumatic and Blood Elixir is a purely vegetable preparation. It has reached some of the most difficult cases of Rheumatism, Liver, Kidney, and Stomach troubles that have been known in this section. It is for sale by druggists and dealers. Price \$1.00 a bottle. Horner-Gaylord Co., wholesale distributors.

## BAD HEADACHES QUICKLY DISAPPEAR

Mrs. Chas. Hartley, 516 Franklin St., Jackson, Mich., says: "I had suffered all kinds of pain and agony from stomach complaint for several months. The pains in my stomach were very bad, the gas forced the food up into my throat, my food did not digest, headaches of the worst kind attended, I became weak, nervous and in a condition so I could not sleep. Was alarmed at my condition as doctoring did not benefit me, finally I was induced to try MI-O-NA, and after using for about two weeks, I found a cure."

If you have a sallow complexion, pimples, blotches, or dull eyes, your digestion is all wrong, and you should take MI-O-NA stomach tablets immediately, and put your stomach right. MI-O-NA instantly stops belching of gas, sour stomach, heartburn and foul breath and gives complete relief in five minutes.

MI-O-NA is guaranteed to cure dyspepsia, sea sickness, vomiting of pregnancy, or money back.

Don't hesitate to try MI-O-NA. It is for sale by Wells & Haymaker Co. and leading druggists everywhere at 50 cents a large box.

## SURRENDER

Continued from page 1.)

ly after 1 o'clock this morning, and continued in diminishing frequency throughout the night but the city of Juarez in a fever of excitement in anticipation of an insurrecto attack today.

It was thought at first that insurrectos were driving the federal outposts with the intention of an immediate assault on the city but as the night wore on the firing dwindled to a few scattering shots and it became apparent that the attackers had withdrawn.

Juarez is ready for an attack. The town is practically cleared out of non-combatants, who crossed into El Paso. Members of the revolutionary Junta here express doubt regarding any attack for at least two or three days.

Last night it became known that between sixteen hundred and two thousand insurrectos were seventeen miles south of Juarez awaiting reinforcements.

The statement that there was firing in the vicinity of Juarez last night proves to be untrue. There has been no disturbance in that neighborhood since last Saturday. Half a dozen shots were fired by American sentries near the El Paso smelter during the night for an unexplained cause. These shots gave rise to reports that the insurrectos were close to Juarez and a battle was imminent.

CHEHUATUA CITY, April 18.—Francisco Ernesto and Alfonso Madero with Rafael Hernandez constituting an unofficial peace commission on the way to interview the insurrecto leader arrived here this afternoon.

## FRENCH

(Continued from page 1.)

1840, says that "traces of the French enticement still remain," and speaks of "mounds raised to those who died in the service," the exact spot for the memorial was chosen only after painstaking research, and it has been impossible to discover the names of the dead or even their exact number. It is only known that alive they defended the field and dead they still hold it.

Nearby is another monument erected by act of Congress in 1903 to "mark the locality where Maryland forces of the Continental Army and French allies were encamped in September, 1781, while on their way to report to Lafayette at Yorktown, Va."

The committee in charge of the work has consisted of Talbot Olyphant, chairman, New York; Granville Leach, Philadelphia; William Gordon McCabe, Richmond, Va.; William L. Hays, Princeton, N. J.; Henry Cadle, Bethany, Mo.; Henry Dexter Warren, Boston, Mass.; Julia Henry Lee, Baltimore; and J. Appleton Wilson, secretary, Baltimore.
